

## VISITORS PROGRAM 2011/12

Dear Student,

we would like to let you know that UNISG will be **available to host aspiring students** such as yourself for a period **of one week at Pollenzo**, during which time it will be possible to participate in all aspects of university life and assess the possibility of applying to the degree course in Gastronomic Sciences. This program will be available **from February to May 2011**. A **selection will be made from among all the candidates** who have a strong motivation to apply for the next academic year of 2011/2012.

**Travel to Pollenzo will be at your own expense**, while **accommodation from Monday to Friday will be provided by the University** (visitors will stay in student housing and eat lunch at the student canteen, while breakfast and dinner will be at their own expense). Attached is the application form to be completed and returned to us as soon as possible. Please also inform us which week you would be interested in coming to Pollenzo and we will do our best to meet your request in compliance with the academic calendar.

Please be sure to complete every field of the application form with care. As the Italian Ministry of Education legally recognizes UNISG, we can only host students who have the academic qualifications and are within the age range required by Italian law. As an official documentation, we require the **Dichiarazione di Valore of your Diploma**, which is an official translation into Italian of your grades. This document is necessary to be admitted to an Italian University and has to be requested to the Italian Embassy/Consulate.

If you are interested in this program, please fill in the form you can find here attached and send it to <[segreteria@unisg.it](mailto:segreteria@unisg.it)>. Also contact the Italian Diplomatic Representative in your country in order to obtain information on application procedures and plan your journey to Italy.

Looking forward to meeting you in Pollenzo!

Best,

Università degli Studi di Scienze Gastronomiche
