MEMBER OF PhD PROGRAMS' SCIENTIFIC BOARD

Since 2017: member of the academic board of the PhD Program in “Ecogastronomy, Education and Society” at the University of Gastronomic Sciences in Pollenzo.

Since 2012: member of the academic board of the PhD Program in “Contemporary Social Philosophies and Theories” (XXVII and XXVIII cycles) at the Graduate School of Human Sciences, Philosophies, Theories, Languages and Cultural and Formative Processes at the Aldo Moro University of Bari.

EDITORIAL BOARDS

01/2006 to date: Member of the editorial board of the scientific journal "In-formazione. Studi e ricerche su giovani, media e formazione" (ISSN: 1970-6723).

08/2009– 12/2010 Member of the editorial board of the scientific journal "Gazeto internacia de Antropologio" (ISSN: 1886-9599) (Scientific Journal ANVUR Ranking for Area 14 – C2).

AFFILIATION TO SCIENTIFIC SOCIETIES:

She is a member of the: **AIS** – Italian Sociology Association; **ESA** – European Sociology Association, **EASST-4S** – European Association for the Study of Science and Technology - Society for Social Studies of Science, **IAIE** – International Association of Intercultural Education.

RESEARCH AREAS OF SCIENTIFIC INTEREST

- Food and socio-cultural change;
- Food and social inclusion;
- Intercultural communication, especially linked to new technologies and participatory media;
- Intercultural competence particularly in the VET and lifelong learning sector;
- Social construction of taste: consumer cultures and behaviours in a cross-cultural perspective
- Food and Media as factors of social innovation (Director of Food Media Monitor)

At the University of Gastronomic Sciences, her research activities are primarily focused on the analysis of food as factor of cultural identification and social differentiation and as a possible driver of cultural integration and social inclusion. Particular attention is paid to the relationship between participatory media, especially social networks, and changing patterns of taste, food-related practices, with reference to the sphere of eating out and restaurant reviews.

COURSES AT THE POLLENZO UNIVERSITY

- Sociology of Culture and Consumer Behaviour Analysis
- Sociology of Culture, Communication, Gender Relations
- Food Media Strategy
- Migrant Gastronomies
- Sociology of Taste: Taste as a social construction
- Intercultural Communication: Focus on Food
