DR n. 532/24 – 11/06/2024

At the end of the allotted time, the commission proceeds to collect the tests and invites the candidates to leave the classrooms, physical and virtual, and report on 6/09/2024 at 2:30 p.m. in Room n. 9 (Cascina di Pollenzo, Via Amedeo di Savoia, 8 - Pollenzo), to take the scientific and aptitude interview.

The committee meets at 10:43 A.m. to read and evaluate the candidates' written tests.

Up to a maximum of 50 points are awarded to the written test, according to the evaluation criteria in the following table:

Procedure	Evaluation criteria	Maximum Score
The written test consists of developing a short critical text on a topic that will be drawn at the beginning of the test, among a shortlist of three topics established by the Doctoral Admissions Committee the day preceding the exam date. The exam can be taken in Italian or English.	The exam aims to ascertain the applicant's writing skills and their ability to synthesize and critically develop topics and problems relating to the general scope of the Ph.D. program.	50

The Commission, following the evaluation of the written tests, initialed by each candidate with the alphanumeric code received from the Doctoral Secretariat prior to the conduct of the test itself in order to ensure their anonymity in the evaluation, proceeds with the matching of the scores assigned to the written tests with the codes relating to the candidates, as shown in the table below.
