In the **first evaluation phase** the Doctoral Admissions Committee proceeds with the comparative evaluation of the qualifications of each candidate, attributing the following scores, up to a maximum of 100 points.

The following remark is made:

- Considering that some candidates have completed the procedure for admission to the PHD Course, although they do not have the requirements for the admission;
- In order to allow the aforementioned candidates to send any additional documentation suitable to confirm the validity of the title possessed for the admission to the PHD Course;
- Considering that the objective of the selection procedure is to allow all candidates in possession of the requirements to compete in the selection itself,

the Commission evaluated the applications of all candidates who completed the admission procedure, resulting in the ranking list. Upon receipt of this ranking list, the administrative offices will proceed to verify the possession of the required qualifications by the candidates admitted to the II selection phase by Aug. 30, 2024.

di Pollenzo, Via Amedeo di Savoia, 8 - Pollenzo). The written test will have a maximum duration of 60 minutes.

2. Academic and aptitude interview, consisting of a discussion of the candidate's curriculum vitae, proposed research project, any publications presented, and a reading comprehension test of a text in a language differing from the candidate's native language (English for native Italian-speaking candidates, Italian for candidates with a native language other than Italian) is scheduled for the date of **6/09/2024**, at 3.00 p.m., in Room n. 9 (Cascina di Pollenzo, Via Amedeo di Savoia, 8 - Pollenzo).

The interviewees will be called in alphabetical order.

**Candidates, currently neither resident nor domiciled in EU countries, who expressly request this within one week of the test date, have the option of taking the entire test (both written and oral) online, at the same times as the in-person test.** In this case, both the written test and the interview will be conducted via videoconference; the specific arrangements will be communicated by the offices to the requesting candidates via e-mail.

The ranking of those admitted to the second phase of the selection is made public through the online publication on the UNISG website (<https://www.unisg.it/corsi-iscrizioni/corso-dottorato-ecogastronomia-scienze-e-culture-del-cibo/>) not less than ten days before the date set for the second phase of the selection itself. The publication on the site is equivalent to official communication in all respects.

**The publication of this notice on the University portal holds the legal equivalent to an official communication. The absence of a candidate, for any reason, shall be considered a withdrawal of candidacy from the selection procedure.**

The written test and the academic and aptitude interview shall take place after formal confirmation of the identities of the candidates present, and after having informed said candidates of the evaluation procedure.

The Committee is dismissed at 1.30 p.m. and will reunite again on 6/09/2023, at 9.00 a.m. to proceed with the second phase of evaluation of the candidates.
