Teaching activity

Note:

Module Leader includes designing and teaching the module as main lecturer as well as coordinating the other staff teaching on the module.

Lecturer includes designing and teaching the module as one of the lecturers

Visiting lecturer includes teaching some lectures as a guest of a module

Teaching assistant includes teaching seminars and conducting ancillary teaching activities within the module

The titles of the module are maintained in the teaching language.

Period	Institution	Module
A.y. 2021-2022	University of Gastronomic Sciences	Module leader of: Anthropology of Food (I year module of the bachelor in Gastronomic sciences and cultures)
		Module leader of: Innovazione e sviluppo del settore della ristorazione (Innovation and development in the restaurant sector) (III year module of the bachelor in Gastronomic sciences and cultures)
		Lecturer of: New Frontiers of Gastronomy (II year module of the master program in Food Innovation & Management)
		Lecturer of Applied anthropology for sustainable food systems (II year module of the master program in Food Innovation & Management)
		Module leader of: Creating High Quality Products (module of the Master program in Food Culture, Communication & Marketing)
	University of Gastronomic Sciences – Polytechnic of Milan	Module leader of: Food Anthropology (module of the Master program in Design for Food)

A.y. 2020-2021	University of Gastronomic Sciences	Module leader of: Anthropology of Food (I year module of the bachelor in Gastronomic sciences and cultures)
		Module leader of: Pratiche di Viaggio ed Esperienze sul Campo (Travel practices and fieldwork experience) (III year module of the bachelor program in Gastronomic sciences and cultures)
		Lecturer of Nuovi trend del settore alimentare e della ristorazione (New trends in the food and restaurant sector) (III year module of the bachelor in Gastronomic sciences and cultures)
		Module leader of: New Frontiers of Gastronomy (II year module of the master program in Food Innovation & Management)
		Lecturer of Applied anthropology for sustainable food systems (II year module of the master program in Food Innovation & Management)
		Lecturer of: Anthropology of Wine (module of the Master in Wine Culture, Communication & Management)
	Universitat Abat Oliba CEU-London South Bank University School of Management – University of Turin	Module leader of: Heritage: a key factor for success (I year module of the Master program in Food & Beverage Sustainable Entrepreneurship)
	University of Winchester, Department of History	Guest Lecturer of: The Symposium: Ancient Greek Drinking Culture (II year module of the bachelor program in Classics)
A.y. 2019-2020	University of Gastronomic Sciences	Module leader of: Anthropology of Food (I year module of the bachelor program in Gastronomic sciences and cultures)

		Lecturer of: Ricerca sociale e mercati gastronomici (Social research and food markets) (III year module of the bachelor program in Gastronomic sciences and cultures)
		Module leader of: Pratiche di Viaggio ed Esperienze sul Campo (Travel practices and fieldwork experience) (III year module of the bachelor program in Gastronomic sciences and cultures)
		Lecturer of: New Frontiers of Gastronomy (II year module of the master program in Food Innovation & Management)
		Module leader of Anthropology and Multiculturalism (II year module of the master program in Food Innovation & Management)
		Module leader of: Creating High Quality Products (module of the Master program in Food Culture, Communication & Marketing)
		Lecturer of: Anthropology of Wine (module of the Master in Wine Culture, Communication & Management)
	Uppsala University, Department of Anthropology	Guest Lecturer of Economic Anthropology (III year module of the bachelor program in Cultural Anthropology)
	University of Milan Bicocca	Module leader of: Valorizing food production: where should we start? (module of the Winter School in Agri-Food Choice)
	University of Pavia	Module leader: Traditional food and perspective of rural development (module of the Master program in Master in Cooperation and Development)
A.y. 2018-2019	University of Gastronomic Sciences	Module leader of: Anthropology of Food

		(I year module of the bachelor program in Gastronomic sciences and cultures)
		Lecturer of: Pratiche di Viaggio ed Esperienze sul Campo (Travel practices and fieldwork experience) (III year module of the bachelor program in Gastronomic sciences and cultures)
		Module leader of: Creating High Quality Products (module of the Master program in Food Culture, Communication & Marketing)
		Lecturer of: Anthropology of Wine (module of the Master program in Wine Culture, Communication & Management)
	Universitat Abat Oliba CEU-London South Bank University School of Management – University of Turin	Module leader of: Food and local development (I year module of the Master program in Food & Beverage Sustainable Entrepreneurship)
A.y. 2017-2018	University of Gastronomic Sciences	Lecturer of: Anthropology of Wine (module of the Master program in Wine Culture, Communication & Management)
	Universitat Abat Oliba CEU-London South Bank University School of Management – University of Turin	Module leader of: Food and local development (I year module of the Master program in Food & Beverage Sustainable Entrepreneurship)
	Scuola Politecnica di Design	Module leader of: Food and local development (module of the Master program in Food Design)
A.y.2016-2017	University of Gastronomic Sciences	Lecturer of: Anthropology of Wine (module of the Master program in Wine Culture, Communication & Management)
		Teaching assistant: Antropologia e Memoria (Anthropology and memory) (II year module of the Master program in

		Valorizzazione e gestione del patrimonio gastronomico e turistico).
A.y. 2015-2016	University of Gastronomic Sciences	Module leader of: Anthropology (module of Master in Slow Art of Italian Cuisine)
		Teaching assistant: Antropologia Culturale (Cultural Anthropology) (III year module of the Bachelor program in Gastronomic Sciences).
		Teaching assistant: Antropologia e Memoria (Anthropology and memory) (II year module of the Master program in Valorizzazione e gestione del patrimonio gastronomico e turistico).
A.y. 2014-2015	University of Gastronomic Sciences	Module leader of: Anthropology (module of Master in Slow Art of Italian Cuisine)
		Module leader of: People and Economy (module of Master in Food Culture and Communications: High-Quality Products)
		Module leader of: People and Economy (module of Master in Food Culture and Communications: Representation, Meaning, and Media)
		Teaching assistant: Antropologia Culturale (Cultural Anthropology) (III year module of the Bachelor program in Gastronomic Sciences).
		Teaching assistant: Antropologia e Memoria (Anthropology and memory) (II year module of the Master program in Valorizzazione e gestione del patrimonio gastronomico e turistico).
	University of Turin	Module leader and lecturer of Antropologia Medica (Medical Anthropology)

		(III year module of the Bachelor program in Nursing)
2013-2014	University of Gastronomic Sciences	Module leader of: People and Economy (module of Master program in Food Culture and Communications: Representation, Meaning, and Media)
		Module leader of: People and Economy (module of Master program in Food Culture and Communications: Food, Place, and Identity)
		Teaching assistant: Antropologia Culturale (Cultural Anthropology) (III year module of the Bachelor program in Gastronomic Sciences).
		Teaching assistant: Antropologia e Memoria (Anthropology and memory) (II year module of the Master program in Valorizzazione e gestione del patrimonio gastronomico e turistico).
	University of Turin	Module leader and lecturer of: Antropologia Medica (Medical Anthropology) (III year module of the Bachelor program in Nursing)
A.y. 2012-2013	University of Gastronomic Sciences	Module leader of: People and Economy (module of Master in Master program in Management dell'Enogastronomia Inpdap Certificated)
		Teaching assistant: Antropologia Culturale (Cultural Anthropology) (III year module of the Bachelor program in Gastronomic Sciences).
		Teaching assistant: Antropologia e Memoria (Anthropology and memory) (II year module of the Master program in Valorizzazione e gestione del patrimonio gastronomico e turistico).

	University of Turin	Module leader and lecturer of Antropologia Medica (Medical Anthropology) (III year module of the Bachelor program in Nursing)
A.y. 2011-2012	University of Gastronomic Sciences	Teaching assistant: Antropologia Culturale (Cultural Anthropology) (III year module of the Bachelor program in Gastronomic Sciences).
		Teaching assistant: Antropologia e Memoria (Anthropology and memory) (II year module of the Master program in Valorizzazione e gestione del patrimonio gastronomico e turistico).
A.y. 2010-2011	Durham University	Teaching assistant: People and Culture (I year bachelor module in Social Anthropology)
		Teaching assistant: Understanding Society and Culture (I year bachelor module in Social Anthropology)
A.y. 2009-2010	Durham University	Teaching assistant: People and Culture (I year bachelor module in Social Anthropology)
		Teaching assistant: Understanding Society and Culture (I year bachelor module in Social Anthropology)
	University of Gastronomic Sciences – Slow Food	Lecturer: Traditional Knowledge, Gender, and Immaterial Values (module of the summer school in advanced studies in gastronomy)
A.y. 2007-2008	University of Mary Washington	Module leader: ITAL 201 – Intermediate Italian A (II year bachelor module in Italian)
		Module leader: ITAL 202 – Intermediate Italian B (II year bachelor module in Italian)
		Module leader: ITAL 291 – Advanced Italian (III year bachelor module in Italian)

Research activities

Note:

Leadership involves full responsibility for the research project and the research unit, coordination of the research team, full responsibility for the budget.

Field research involves the completion of research activities related to the project, analysis of data, completion of reports and publications

Training involves the organization and conduction of training activities for the participants of the project

Project management includes administrative task concerning the management of the team and the budget of the project, partial responsibility for the use of the budget.

Project design involves the writing up of the project and the conduction of administrative operations conducted in order the project to be approved and founded.

Period	Institution	Title	Project description	Roles
From 2022	University of Gastronomic sciences Principal Investigator: Dr M.F. Fontefrancesco	The European Network for the Promotion of Culinary and Proximity Tourism in Rural Areas (funded by the EU Erasmus+ program)	Analysis of the learning needs of the professionals of the Horeca sector in rural areas of Europe and development of an online professional training program.	Leadership Field research Project management
From 2019	University of Gastronomic sciences Principal Investigator: Dr M.F. Fontefrancesco	Food Drug Free (funded by the regional council of Piedmont)	R&D project for the implementation of new technologies of antibiotic detection in food commodities	Leadership Field research Project management

From 2019	University of Gastronomic sciences Principal Investigator: Prof. A. Pieroni	DiGe-714874. Ethnobotany of divided generations in the context of centralization (funded by ERC)	Comparative study in Eastern Europe concerning the impact of centralist cultural policies on the minority groups' traditional knowledge	Field research Project management
2021	University of Gastronomic sciences Principal Investigator: Dr M.F. Fontefrancesco	Atlante delle fieliere (funded by Fondazione Cariplo)	Analysis of local food production chain and their impact on the Italian rural areas	Leadership Field research Project management
From 2018 to 2019	Associazione Centro di Cultura dell'Università Cattolica di Alessandria Principal Investigator: Dr M.F. Fontefrancesco	Adone (funded by Fondazione Social)	Ethnographic research about food practices and bodybuilding in Alessandria jails	Leadership Field research Project management Project design
From 2019 to 2020	University of Gastronomic sciences Principal Investigator: Dr M.F. Fontefrancesco	Tavole Allegre (funded by Fondazione San Paolo)	Implementation of convivial practices in urban context in order to fight social isolation of fragile social groups	Leadership Field research Project management Project design
From 2018 to 2019	Associazione Territorio e Cultura ONLUS.	GenerAzioni Donatello (funded by Fondazione Cariplo and Fondazione	Implementation of grassroots initiatives aimed at urban regeneration.	Training Field research

	Principal Investigator: Dr G. Balduzzi	Comunità del Novarese)		
From 2017 to 2019	Newton.spa Principal Investigator: Dr M.F. Fontefrancesco	Words are Stones (funded by the EU "Rights, Equality and Citizenship 2014-2020" program)	Research action aimed at fighting online hate speech among the European youth	Leadership Field research Project design
From 2017 to 2021	University of Gastronomic Sciences Principal Investigator: Prof. P. Corvo	Sistemi Alimentari e Sviluppo Sostenibile (funded by the Italian Ministry of University and Research)	Analysis of the role of traditional food products within the food systems in Kenya and Tanzania	Field research Project management
From 2016 to 2017	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	Piemonte Agri Qualità (Funded by the Regional Council of Piedmont)	Collection of life stories concerning the agricultural foodscape of the region	Field research Project management Project design
2016	University of Gastronomic Sciences Supervisor: Prof. P. Grimaldi	Fame di lavoro (Funded by the Regional Council of Piedmont)	Collection of life stories and historic documentation concerning the transformation of food practices at work during the 1950s-1970s	Field research
From 2015 to 2017	University of Gastronomic Sciences	SlowFood-CE (funded by the EU through the	Promotion of the traditional urban food practices in Brno, Dubrovnik, Kecskemet, Krakow and Venezia	Project design

	Principal Investigator: Prof. P. Grimaldi	Central Europe program)		
From 2015 to 2016	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	Geoportale della Cultura Popolare (funded by the Italian Ministry of Culture)	Developing a national digital portal to the collection of video and audio materials owned by various Italian institutions	Field research Training Project management Project design
From 2015 to 2017	Durham University Principal Investigator: Dr C. Merli	Tsunamis: Buried traces and post-disaster assemblages of technologies and legacies (Funded by Durham University Seedcorn scheme)	Study of the process of memorialization of the Vajont disaster	Field research Project management
From 2014 to 2015	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	Buono e Bello da Mangiare (funded by Consorzio nazionale recupero e riciclo degli imballaggi a base cellulosica)	Development of a digital atlas about specific recipes of Italian folk cuisine	Field research Project management Project design
From 2014 to 2016	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	La Cultura del Tartufo Bianco d'Alba: Patrimonio dell'Umanità	Study concerning the culinary role of white truffle in Italy aimed at the completion of a UNESCO intangible heritage candidacy	Field research Project management

From 2014 to 2015	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	Teatro del paesaggio (funded by Magliano Alfieri municipality)	Development of the multimedia materials for the civic museum of Magliano Alfieri	Field research Project management Project design
From 2013 to 2016	Associazione Territorio e Cultura ONLUS. Principal Investigator: Dr G. Balduzzi	Sperimentazione di Percorsi di Democrazia Diretta 2 (funded by Fondazione Cariplo)	Development of grassroots participatory initiatives and deliberative assemblies aimed at urban regeneration	Training Field research
From 2012 to 2015	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	Open Discovery Space (Funded by the European Union through the CIP-ICT-PSP-2011)	Development of teaching materials and a European portal for e-learning.	Field research Training Project management
From 2012 to 2013	Associazione Territorio e Cultura ONLUS. Principal Investigator: Dr G. Balduzzi	Sperimentazione di Percorsi di Democrazia Diretta (funded by Fondazione Cariplo)	Development of an experimental deliberative assembly in Novara	Training Field research Project design
2012	University of Turin Principal Investigator: Prof. M. Polifroni	Pollenzo Index, Environmental and Economics Design	Development of an index for describing the socio-cultural and environmental sustainability of food products	Field research

From 2010 to 2017	University of Gastronomic Sciences Principal Investigator: Prof. P. Grimaldi	Granai della memoria (funded by the University of Gastronomic Sciences)	Development of a digital portal and video materials concerning the oral history of the twentieth century	Field research Training
From 2009 to 2010	Ustinov College, Durham University Principal Investigator: Dr. M.F. Fontefrancesco	Diversitate Valemus. Interculture and integration in Ustinov College (funded by Ustinov College)	Study concerning multicultural interaction in the college among the students of Ustinov	Leadership Field research Project management Project design

Research grants

2022	The European Network for the Promotion of Culinary and Proximity Tourism in Rural Areas European Union – Erasmus+ Grant: € 229.650 (€ 38.525 for my research unit)
2021	Atlante delle filiere – Analisi e prospettive per il rilancio delle filiere marginali sul territorio nazionale Fondazione Cariplo Grant: € 40.000
2020	La condizione delle filiere corte: studio pilota sul territorio italiano Associazione Filiera Futura Grant: €28.689
2019	Food-drug-free – Piattaforma portatile per l'identificazione di farmaci nei prodotti alimentari Regional Council of Piedmont - European Social Fund Grant: € 6.153.912,77 (100.000 € for my research unit)

2019	Tavole Allegre Fondazione San Paolo Grant: 7.500 €
